    ▪ Note about WIC in Illinois from IDPH: Illinois WIC put out a plan waiving physical presence as much as federally allowed. Most clinics are doing services by phone and offering to mail food instruments or allowing curbside pickup. The clinics are closed to the public in many locations, but staff are present, and services continue statewide – it is recommended that applicants and participants call ahead to ensure hours are not changed.
  o Illinois Supplemental Nutrition Assistance Program (SNAP)/Illinois Link Card
